Notes from WM

1976A

Kusiut dances had triple origins, some with regalia, came down from above, others had their origin in supernatural visitations from above, while others were originated by powerful chiefs working on their own. I believe that the postlatch dance was originated by Samuel King's M (1)

his knock sings her wedding song when asked to do so, irrespective of family, but she alone understands how to sing it. When she functions it is kindly as gratuitous help.

Sisauk business came from abroad, chiefly Bella Bella, thus, hailshka is a Bella Bella name & the power of Reuben's Harry belongs there. WM claims that Harry has no right to sing now, & the schooners failed to give return presents to the BB's who gave them power.

In summer of 1921 HS bought a representation of the sea bird canoe from Sam King. Smith failed to hide the object, it was seen by stores, & everybody in BC knew that it was sold. The word worked Bella Bella as
